FOREWORD

THE SCHOLASTIC YEAR 1977-78 has been a year of change. We have seen this year the resignations of coaches McClary and Scarbrough - cornerstones in McDonald athletics - the arrival of Assistant Principal Krotky, the new student handbook, and the institution of a junior-senior lounge.

The Roller, too, has gone through a minor metamorphosis. We have acquired a new advisor, Mrs. Monseau, and a new publishing company, Josten's American Yearbook.

This year the Roller staff has tried to present to you, the reader, a pictorial kaleidoscope of the year's events. We hope we have done well.

INTRODUCTION

DEDICATION

TO YOU-MRS. MILES--we, the Roller Staff of 1978, dedicate this year's book. It was your hard work and dedication that set an example for us to pass on to future Roller Staff members. Through thick and thin, good and bad, joy and sorrow, you were always there with your willing and helpful "voice of experience." To us, you were more than a yearbook advisor, you were also a good friend who shared all of our experiences with us whether they concerned the yearbook or not. With sincere gratitude and deep appreciation we dedicate this year's Roller to you.

"FANTASY ISLAND" SETS THE ATMOSPHERE FOR

PALM TREES, FOUNTAINS, and citrus fruits set the realistic theme "Fantasy Island" for the 1978 Junior-Senior prom. The Brentford House was the location for a buffet and dancing, and an after-prom consisting of movies, recreational activities, and a breakfast was held at the school. Karen Dye and Jimmy Golden were crowned king and queen by the 1977 royalty, Terri Mientus and Phil Foley. Mr. Carl Macali served as junior class advisor.

THE ART SHOW IS A HUGE SUCCESS

MANY STUDENTS CONTRIBUTED to this year's Art Show, resulting in a fine display of artistic talents. The Art Show, under the supervision of Mr. Harder, included all kinds of art, such as watercolors, charcoal, pencil, and oils. This year teachers also entered in the Art Show. Another new addition was the slide shows that were shown during the Art Show.

STUDENTS USED THEIR imaginations in producing album covers for the show.

TOP WINNERS IN the Art Show this year were Paige Dunning - 2nd place, Brian Koniowsky - 3rd place, and Diana Toth - 1st place.

HERE MR. HARDER, along with parents and friends, admires the artwork of the students.

"THE GORILLA" HOTTEST THING TO HIT

THIS YEAR'S DRAMA Department, under the direction of Mr. Robert Burns, simply outdid itself in the McDonald High School productions of "Mister Angel" and "The Gorilla." It seemed to be a unanimous opinion of the people who attended that "never before in McDonald stage history had anything so spectacular been presented - especially "The Gorilla." "'The Gorilla' is certainly the hottest thing to hit the stage in years." Some of the most memorable performances were turned in by seniors Thom Kunkel, Tom Pierson, Mark Gilchrist, Debbie Logar, Joe Harryhill and Vicki Johnson And, of course, things would not have been the same without Mr. Burns.

IN MEMORIAM

Mrs. JoAnn Uncapher

There is no Death.
What we call Death
Is but a sudden change
. . .
Because we know
Not where it leads--
Therefore it seemeth
strange.

There is no Death.
What we call Death
Is but a restful sleep . . .
They wake not soon
Who slumber so--
Therefore we mourn . . .
we weep.

There is no Death.
What we call Death
Is but surcease from strife
. . .
They do not die
Whom we call dead--
They go from life . . . to
Life!

77-78 ROLLER STAFF SELECTS SIX NEW

IN KEEPING WITH Tradition at M.H.S., this year's Roller Staff, through the combined efforts and talents of Staff, advisor, and photographer, has created another SUPERB yearbook.

WE HOPE THAT this year's book might, in some small way, convey to you the immense pride and satisfaction we find in putting such a book together. Somehow the end product makes all the hard work seem worthwhile.

THANK YOU, MR ZAJACK!

AS USUAL, STAFF members find the unlikeliest spot possible for a group picture.

MISSY URBAN SEEMS to have her doubts as to whether the male members of the staff are able-bodied enough to hold her up. Who ever said Roller Staff is all work and no fun (?!?)

THIS YEAR, AGAIN, Roller Staff members had to break in another new advisor, Mrs. Monseau, who is doing her best to keep everyone on the Staff busy.

EIGHT SENIORS COMBINE TALENTS AND SKILLS

DURING THE 1977-78 school year the high school band has been involved in many activities. After a week of hard work at Thiel Band Camp preparing various half-time performances, they participated in numerous band nights. The band also put on many concerts throughout the 77-78 school year. For the first time the McDonald band directors hosted the I.C.L. Invitational Music Festival. This consists of students from 9 area high schools, 19 of which were from McDonald.

NEWSPAPER STAFF LOSES FOUR SENIORS BUT GAINS

BESIDES THE ADDITION of three new members to the staff, which includes Lisa Leskovac, Nancy Deak, (next year's assistant editor) and Margo Scufca, a new printing machine has been made available to the staff.

The name of this year's paper is "The Devils Voice." In order to boost sales of the paper, a free record album from Record Mart was given to the person with the winning number on his or her paper purchased.

Those seniors who left the staff at the end of the first semester due to early graduation were Cindy Morgan, Tammy Unger, Tracy Conroy, and Barbara Kenner, assistant editor.

A great effort was made by advisor, Mrs. Monseau, and the entire staff in order to produce interesting reading and inform the students at M.H.S. .

BLUE DEVILS CONCLUDE FIRST NON-LOSING SEASON SINCE THE 1974 STATE CHAMPS

A stingy McDonald defense and 102 yard rushing effort by Joe Krumpak told the story of the 21-8 win over AA Pymatuning Valley. The McDonald defense held the Lakers to a meager 108 total yards.

McDonald opened up ICL action on a sour note, losing to AA South Range 13-0. A lackadaisical attitude on McDonald's part and an offensive line averaging 210 pounds on South Range's part hit McDonald where it hurt.

Columbiana, one of the down right dirtiest teams McDonald has faced ever, did a number on the Devils to the tune of 31-6. Jody Morgan did, however, run a fumble 40 yards for 6 points.

A 32-21 loss was the result as the Devil unit traveled to Springfield to face their stiffest competition of the year. The Tiger ground game proved too much for the McDonald defense as they amassed 408 yards.

In the most exciting game of the yaer, McDonald came from behind to defeat Lowellville 24-20. With 44 seconds left, Joe Krumpak hit Thom Kunkel, who then reversed his field and scampered 32 yards for the winning talley. The game was also marked by the return of Bob Bogner to the McDonald ranks.

The McDonald seniors played their hearts out but it proved to be too little as they lost to Lakeview by a 14-6 deficit. The McDonald defense shone brightly in the first half but slacked off, allowing 14 second half points. The Devil's last score of the year came on a Mike Choban interception return for a touchdown.

The Devil machine piled up another victory over AA Garretsville Garfield by a margin of 21-6. The game was highlighted by a fine reception and open field running display by a speedy Nick Tadla.

Registering their first shut out in sixteen games, the Devils blanked Western Reserve 15-0. A Thom Kunkel touchdown reception and a Mark Biviano interception highlighted the contest.

The Devil team smothered all doubts as to how real they really were, as they blew Mineral Ridge right off the field 26-8. Joe Krumpak had his best night as a Devil totaling 113 yards in 7 totes and 44 yards receiving. "Buckwheat" Witkoski gained 104 yards rushing and captain "Bog" Bogner made a superb catch in a supporting rote.

Nothing went right for the Devils against Jackson Milton as they lost by the disgraceful score of 46-12. Every cloud has its silver lining, however, as Joe Krumpak accounted for 18 completions (nine by Thom Kunkel) for 357 yards.

HARRIERS MAKE ANNUAL PILGRIMAGE TO STATE MEET

A LONELY RUNNER slashes through the puddles of a suburban street. With pain in his eyes and saliva dripping down the side of his face, he forges ever onward. The sight isn't an uncommon one in McDonald. Whether it's a Joe Harryhill or a Dave Murray, he's still working for one common goal; to please Mr. Clute. Coach Clute isn't an easy man to please. Maybe that's why his team won at ICL and Boardman, took second at sectional and Kirtland, and traveled to the state meet in the last four years. Yes, Coach Clute is a cruel man, but none of his runners are complaining.

AFTER MANY YEARS of brilliant performances, these three Devil trotters feel at home with success. Seniors Dan "The Man" Harvey, Joe "The Toe" Harryhill, and Dave "Jaybird" Ryan clocked best times of 13:45, 12:38, and 12:57 respectively and respectably.

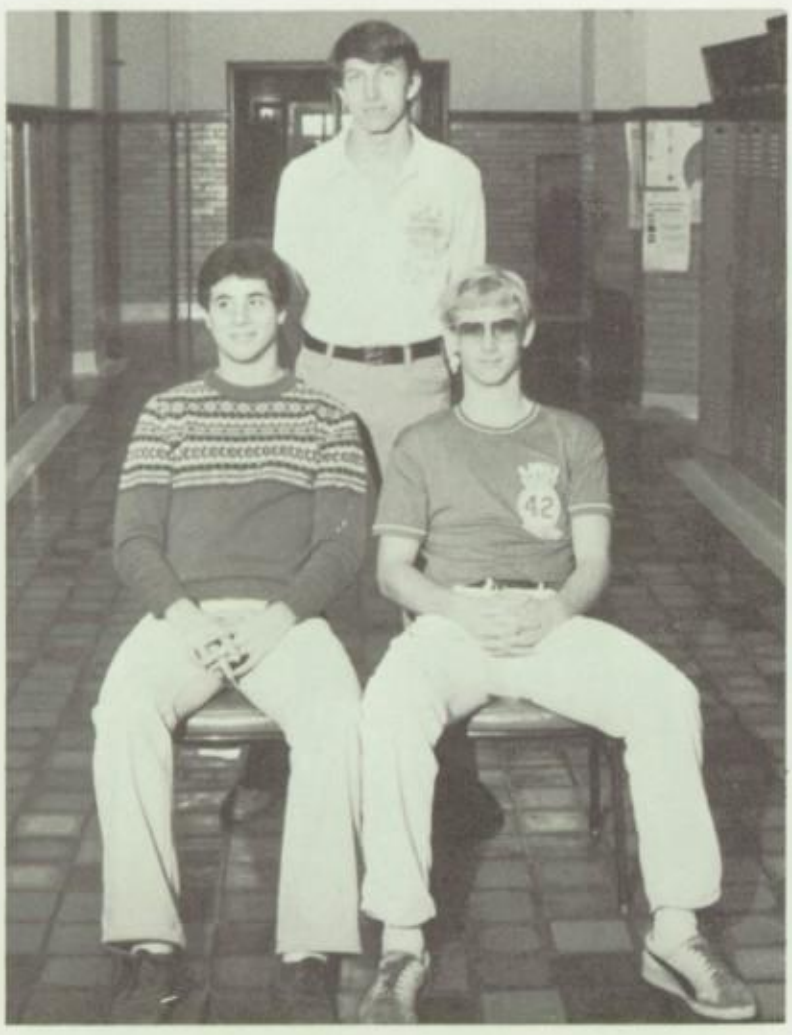
COACH JACKAMO'S LINKSMEN DOMINATE OVER RIDGE

1977 GOLF TEAM--Coach Jackamo, Brian Stees, Bruce Timko, Jim Ruschman, Andy Timko, Brian Gilchrist, Ken Barber, Dave Delon, and Rick Coles.

UNDER THE IRON RULE of Mr. Jackamo, the McDonald course-commuters continued their domination over Mineral Ridge. Last year our athletes relied on picture perfect putting to put an end to Ridge's hopes of winning the highly touted contest, but this year the Devil chippers hit their drives a ton to crush the Rambler linksmen. Ken "Bibby" Barber on the fifth hole placed his second shot (a three wood from the left rough) pin high about five feet away from the cup. He then capitalized for a birdie three. His birdie ignited the rest of his teammates as Brian Stees and Andy Timko birdied the next hole paving the way for a Devil win.



SENIORS DOMINATED THE fairways, greens, and rough this year with "Bibby" Barber shooting a very low 36, Brian Stees shooting an above average 38, and Rick Coles shooting a not too bad 43.

EQUIPPED WITH THE most up-to-date golf gloves available, Brian Stees prepares to drive for negative yardage.

BRIAN GILCHRIST WATCHES as his drive flies in a direct line to the pin.

GIRLS SOFTBALL INITIATED

THIS YEAR THE girls at M.H.S. had the opportunity to join yet another organized team sport, fast pitch softball. The season was broken up into two halves, the fall and the spring teams, with tryouts for both. Although the girls took a few knocks, they did surprisingly well in most of their games, probably owing to each girl's determination and will to win. Also, much credit must be given to the girls' coach this year, Elaine McKinley, who accomplished in a few months what it has taken other coaches years to do, that is take a bunch of raw, unskilled girls and develop them into a team any school can be proud of.

COACH GADD RESIGNS AFTER FOUR

MRS. ROSALYN GADD has turned in her resignation after four years as head of the Girls' Track program. Mrs. Gadd who began the program, has exhibited a fine example of coaching by the many honors the team has achieved. Under her supervision, nine girls have participtaed in State competition in two years. The team has greatly improved and has risen to be one of the best in the I.C.L. In the past years, the team has set many long-standing school, I.C.L., and Sectional records. Without Coach Gadd, this program would have never been possible and the Girls' Track team would like to thank her for her dedication.

BASEBALL TEAM BOASTS A

THE 1977-78 BASEBALL team, under the expert tutelage of Coach Vince Pellegrini, reached a new plateau this year by amassing a record-breaking 14-4 season. Leading the team to its most successful season ever were seven seniors who proved to be invaluable as the team's mainstay.

KEN BARBER'S batting expertise and perfect pitching records were key factors in this year's winning season.

THE ENTHUSIASM OF the bench helped maintain the team's spirit and morale.

Superintendent's Message

Dear Students and Staff:

THE YEAR 1977-1978, found administration and staff striving towards excellency. It is my wish that the McDonald School maintain and constantly strive toward these high educational Standards.

THE GORDON D. JAMES Career Center opened September, 1977, giving McDonald students an added dimension in their educational lives.

A GRAY CLOUD hovers over us regarding the possible loss of the McDonald Works of United States Steel and continued loss of jobs and industry in the Mahoning Valley.

I URGE THAT each of us look forward with confidence and humility toward each new tomorrow utilizing our full potential as a human being in making this new world.

IT HAS BEEN said, "Education is that which remains after we have forgotten everything we learned in school."

MRS. DORIS MOLIN
Superintendent's Secretary

MRS. MARGRET AGUE
Board Clerk's Assistant

TWO NEW MEMBERS ELECTED TO BOARD.

THIS YEAR MCDONALD Board of Education welcomed two new members, Ed Domitrovich and Robert Miller. The Board holds numerous meetings in order to help the student body and faculty make decisions and improve our school system.

After serving twenty-four years on McDonald School Board, Mrs. Marie Krupko chose to retire this year. Her father, A.A. Burkey, was the first superintendent of schools in McDonald and this began many long years of devoted service in the family. Mrs. Krupko, along with all her children, graduated from M.H.S. . McDonald is fortunate to have had such a dedicated person within our school system.

Students and faculty of McDonald High School are fortunate to have such fine materials available to them in the high school library. There are over 10,000 books, as well as many pamphlets, periodicals, and audio-visual materials and equipment. The library is open to the students to read or to do research and reports. Mrs. Brocken, Mrs. Uncapher, and the many library aides are always ready to give a helping hand to the students and teachers when needed.

MATH COURSES ARE probably the most valuable offered at any high school. SCHOOL KEPT IN CONDITION BY CUSTODIANS' EFFORTS.

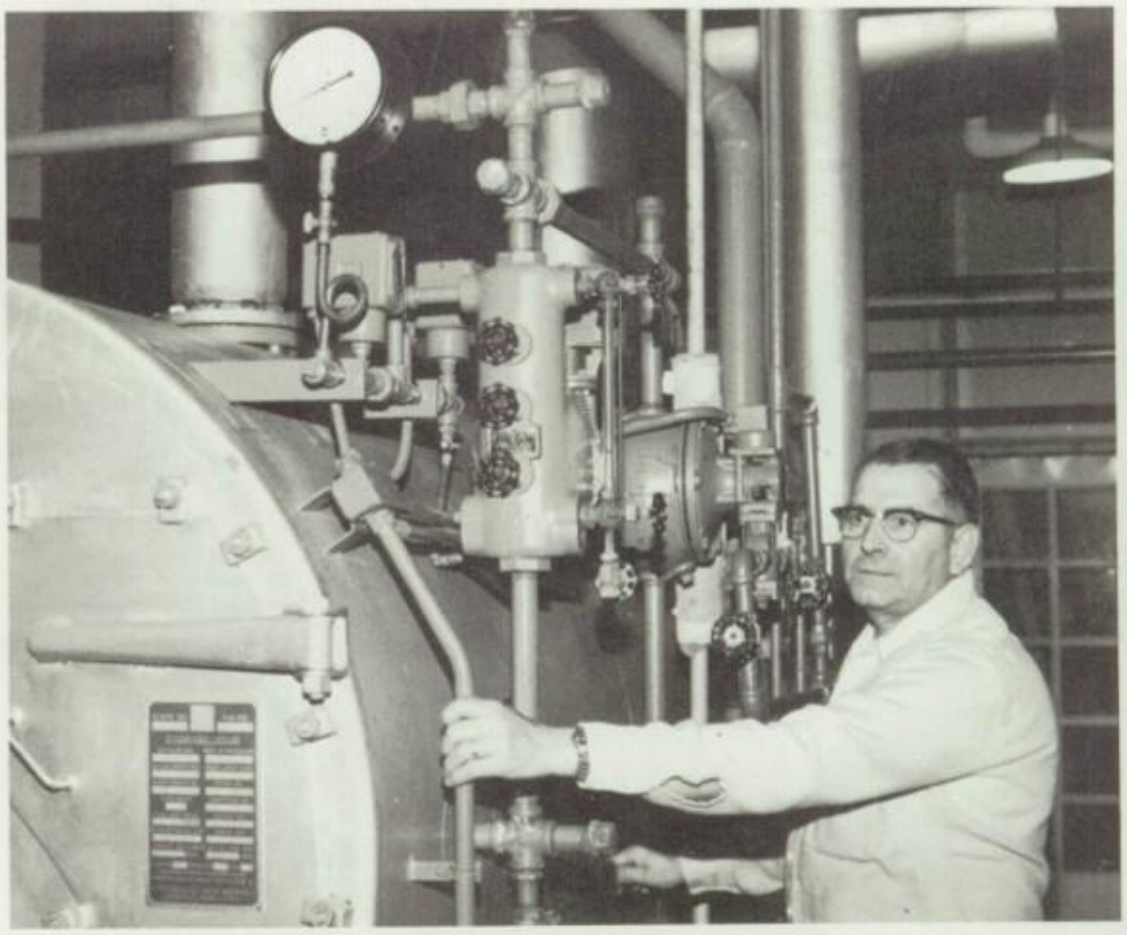
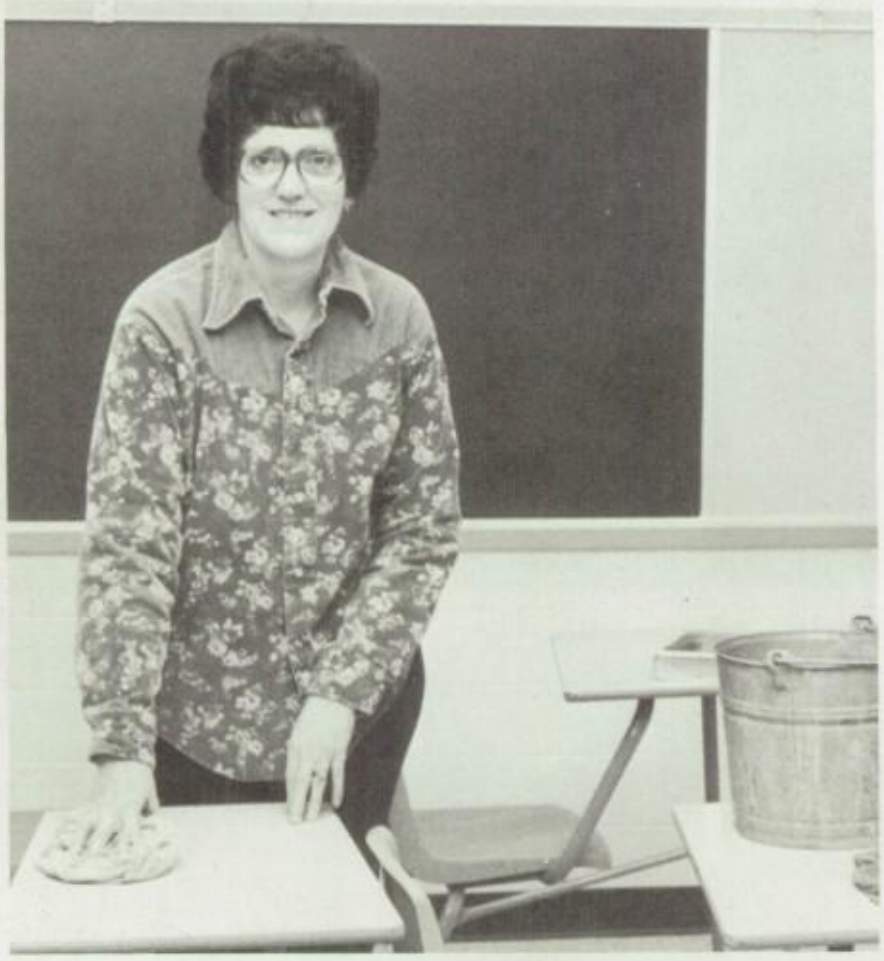
IN ORDER TO maintain our school as an efficient, well-run structure, our school custodians are hard at work. Taking care of such familiar areas as the boiler room, repairs, and cleaning classrooms, are Mrs. Jones and Mr. Leonhart to whom we owe our appreciation for keeping the school running.



WORKING IN THE boiler room is just one of the many duties efficiently performed by Mr. Leonhart.



MRS. JONES STILL manages to retain a smile on her face after long hard hours of work.

FAREWELL TO THE CLASS OF '78

The LOSS OF this class of '78 will be felt by all members of the High School, administration, faculty, and students alike, but most of all by the Roller Staff, which bids a fond farewell to 6 members of its "family". We, the "78-79" staff, wish you the best of Luck wherever you may go and in whatever you may undertake.

HISTORY PROVED TO repeat itself as the yearbook staff experienced not only the change of advisor and photographer, but also the change to a new publishing company. And, of course, there is always the initiation of new members. For a staff to undergo these major changes, yet still be successful, staff members must be cooperative, innovative, and dedicated, which is all taken into consideration when voting new members in. Many memories will remain always in the minds of those who have sacrificed their time and effort to produce a book that the student body anxiously awaits. New staff members attended workshops which aided in expanding their knowledge of producing a quality yearbook. The ROLLER staff would like to extend its appreciation to the administration, faculty, student body, our photographer, Bob Zajack, and our publishing representative, Ken Brayer. The staff expresses its sincere gratitude to its advisor, Virginia Monseau, who assisted each of us unselfishly and wholeheartedly as a group and as individuals.

1978 ROLLER STAFF - Row 1: Mary Frances Crepage, Missy Urban, Debbie Logar, Linda Luzar, Dave Evinsky, Cindy Natoli, Mrs. Monseau. Row 2: Sue Kyanko, Francie McNulty, Michelle Deyarmin, Steve Chuparkoff, Thom Kunkel, Mike Choban, Mark Gilchrist.
